

# Upper Limits Junior Climbing Team

Welcome to Upper Limits Rock Climbing Gym! We are excited to start up the junior climbing team for the 2009-2010 season. Team ULI is a competitive climbing team for kids ages 7-17 who are interested in practicing climbing, competing against other kids, and striving to improve their climbing skills. Team Members will be competing according to skill level: beginner, intermediate and advanced.

## **Membership/Season**

The season will run from October through March breaking down into 2 different sessions: Session 1 runs from October through December and Session 2 runs from January through March. You may register for either session or for the full season. A membership to Upper Limits is included for participating team members with specific benefits during the session(s) he/she is registered for.

## **Practices/Attendance**

Practices are currently scheduled for Mondays and Wednesdays from 6:00-8:00pm; make-up practice is scheduled for Sundays from 4-6pm. Team Members are required to attend two practices a week, and additional climbing outside of the regularly scheduled practices is suggested. To encourage participation, team membership will be terminated if a total of 6 or more practices are missed per session. Also, if a Team Member competes in the required number of competitions and misses less than 3 practices per session, he/she will be rewarded at the end of the corresponding session(s). Team Members will be required to keep a journal of their progress throughout practices. There will not be any practice if there is no school that day, i.e. Thanksgiving, Winter, and Spring Breaks. Also, if school is dismissed early/cancelled due to weather or another reason, there will be no practice.
